Located in a central location this home has it all. Offering a shed (with roller door access front and rear) and a heap of storage it's sure to tick all of the boxes.

Upstairs offers three bedrooms (all with built in robes and air conditioning), air conditioned lounge, spacious kitchen and main bathroom (shower over bath tub) and separate toilet). The cupboard space will surprise you! An added feature of upstairs is the large covered deck which overlooks the in-ground pool and backyard.

Downstairs offers an open plan living area, laundry, second bathroom (shower and toilet) and a separate room. Downstairs is tiled throughout.
